VINGA Sortino day-trip cooler bag

SKU: TP1519001

Categorie: Bags and travel

This modern, stylish cooler bag is perfect for your excursions. It is made of 50% recycled material from PET bottles. The inside can easily be wiped out and thick PEVA padding keeps the bag cold for a long time. With a touch fastener on the back of the bag, you can secure it to your bicycle handlebars. The bag also has an adjustable cover, ensuring optimal cold insulation every time.
