

VINGA Timo RCS desk charger and accessory tray

SKU: TP1V3080001

Categorie: Technology

A practical and sleek desk charger – perfect for the modern home or office. The tray features an integrated wireless charging pad for your phone. To charge, simply connect the tray using the included USB-C to USB-C cable (1.2 m). Once connected, just place your phone on the pad to start charging. The tray also serves as a convenient surface for storing everyday essentials like headphones, glasses, or keys. A simple and functional solution – ideal for desks, hallway furniture, or bedside tables. Type-C Input: 9V 2A Min. Wireless Output: 5W/7.5W/10W/15W Max. Certified by RCS (Recycled Claim Standard), ensuring the entire supply chain of recycled materials is certified. This product contains 47% RCS-certified recycled ABS and 4% RCS-certified recycled polyester.
