XD Design Bobby Air Backpack

SKU: TP1P706.3215

Categorie: Bags and travel

The Bobby Air is a slim & streamlined backpack designed for effortless daily commuting. Its clean, structured form strikes a balance between business and casual, refined with soft angles and minimal curves. PU-coated zippers and water-repellent fabric shield your essentials, while the quick-access pocket and a separate 16" laptop compartment keep things organised. Top and side handles add flexible carry options. Made from durable, lightweight recycled nylon, while the lining is crafted with AWARE™, the use of genuine recycled fabric is guaranteed. 23% recycled content. Registered design®.
