

XD Design Soft Daypack

SKU: TP1P705.985

Categorie: Bags and travel

Disponibilitate: În stoc (1425)

The Soft Daypack is the ideal companion for daily carry. Crafted from high-quality materials, including 1200D RPET fabric and Textured PU material, it combines durability with style. With a focus on security, this daypack features an anti-theft flap-top design with a Fidlock closure and twist-lock zippers. The dedicated 16" laptop pocket provides tech protection, while the RFID-protected pocket offers added security for your cards and personal information. Stay organised with smart interior organisation and enjoy quick access to your items. Made from R-pet fabric with the AWARE™ tracer. With AWARE™, the use of genuine recycled fabric is guaranteed. 28% recycled content.
