XD Design Soft Tote Backpack

SKU: TP1P706.3015

Categorie: Bags and travel

Disponibilitate: În stoc (810)

The Soft Tote Backpack is a stylish and versatile companion, designed for effortless daily carry. Featuring XD DESIGN's innovative Duo-Zipper, it expands to reveal two distinct styles, combining practicality with style. With a secure anti-theft design and slide-locking zipper pull, your belongings are kept safe at all times. Perfect for work, university, or leisure, it offers 11 thoughtfully designed storage zones to keep your essentials organized. The minimalist exterior is made with durable, lightweight recycled nylon, while the lining is crafted with AWARE™, the use of genuine recycled fabric is guaranteed. 42.64% recycled content.
