XD Design Switch 2-in-1 Backpack

SKU: TP1P706.3314

Category: Bags and travel

Switch Backpack redefines versatility with the upgraded Shape-Shift Zipper System 2.0, allowing the bag to fully switch between two distinct styles in one. One side Minimalist, one-piece construction creates a clean, structured silhouette, while the other embraces a casual look, retro-inspired with multiple zipper pockets for easy access. It balances formal and everyday wear effortlessly. Crafted with lightweight recycled nylon, grid pattern nylon, while the lining is crafted with AWARE™, the use of genuine recycled fabric is guaranteed. 21% recycled content. Registered design®.
