

Xtorm Go2 20W 5000 mAh power bank

SKU: TP2124601

Categorie: Technology

This 5000 mAh power bank delivers fast, convenient charging directly to your phone. Its unique design, ultra-compact size and lightweight build of just 101 grams makes it easy to carry in a bag or jacket pocket. The fold-out 20W USB-C connector allows you to charge your smartphone or earbuds without the need for cables, while also providing a useful power boost for smaller tablets.
