Zens 15W magnetic nightstand charger

SKU: TP212082001

Category: Technology

The 15W magnetic nightstand charger with the latest Qi2 technology delivers fast, perfectly aligned magnetic charging for iPhone 12 or later, AirPods and Android phones with a magnetic case. Place your phone horizontally to activate Apple StandBy mode and turn it into a stylish bedside display for the clock, weather or calendar. Designed in collaboration with Apple, it combines premium materials with reliable performance and ease of use. The charger includes a durable braided USB-C cable and adapter and is available in black, white/silver and cherry lacquer.
