

Zens Charging Cable Pro 2

SKU: TP1RBZEDC30

Category: Technology

The Qi2-certified Pro 2 takes wireless charging further, delivering a fast, reliable boost for iPhone 12 and newer models and Android phones with wireless charging and a magnetic case. With precise magnetic alignment, your phone charges efficiently at up to 15W. The Pro 2 also includes an Apple Watch module, so you can power both devices together wherever you are. Compact and versatile, it's ideal for travel, home office, or on the go.
