

Zens Charging Cable USB C - C Pro 2

SKU: TP1RBZECC05

Category: Technology

Simplify your daily routine with the Zens Charging Cable USB C-C Pro 2. This smart 2-in-1 cable powers your USB-C laptop or tablet while wirelessly charging your phone or earbuds at the same time: no need to carry a bulky adapter for two devices. Qi2-certified for 15W fast wireless charging, it ensures efficient power on the go. Crafted from premium aluminum, the compact and durable design is made for everyday use, whether working from home, at the office, or commuting. Use with a USB-C power adapter of at least 65W (140W recommended for optimal performance)
