

Zens Magnetic Nightstand Charger

SKU: TP1RBZESC20

Category: Technology

Wake up fully charged with the next-generation Magnetic Nightstand Charger. Designed for iPhone 12 and newer, AirPods, or Android phones with wireless charging and a magnetic case, it now supports faster wireless charging with Qi2. Place your phone horizontally to activate Apple StandBy and turn it into a smart bedside display; showing the time, weather or your morning podcast. Android users can create a similar setup using a World clock app. The charger comes ready to use with a braided USB-C cable and 20W USA, EU, UK adapter.
