

Zens Pro 3 140W USB-C 3-in-1 charging cable

SKU: TP2120822

Category: Technology

Power your MacBook or any USB-C device while wirelessly charging your iPhone (12+), AirPods and Apple Watch at the same time with this smart 3-in-1 USB-C Pro 3 charging cable. It supports up to 140W USB-C Power Delivery and delivers Qi2-certified 15W fast wireless charging (5W for Apple Watch) to keep all your essential devices powered. Crafted from premium aluminium with a compact, foldable design, it's ideal for commuting, hybrid working and travel. For optimal performance, use it with a USB-C adapter of at least 65W (140W recommended).
