

Zens Wireless charging adapter

SKU: TP1RBZESC18

Category: Technology

Say hello to simplicity with the Zens Wireless Charging Adapter. This compact, all-in-one solution combines wireless charging with USB-C power for effortless, everyday charging. Simply snap your iPhone 12 or newer, or an Android phone with wireless charging and magnetic case, onto the adapter and charging starts instantly. It's a favourite in many kitchens, keeping your phone visible and powered while you follow recipes or set a timer. The adapter blends easily into any interior. The secure magnetic hold and soft-touch material keep your phone safely in place while delivering up to 15W wireless charging.
